

SURF COAST SECONDARY COLLEGE

Anti-Bullying (incl Cyber Bullying) & Anti-Harassment Policy

Policy Statement

Surf Coast Secondary College is committed to providing a safe and caring environment and culture which enables positive relationships to be formed amongst all students and staff and which encourages self-esteem, cooperation, personal growth and a positive attitude to learning and teaching. A clear policy on Bullying (including cyber bullying) and Harassment will inform the community that bullying and harassment in any of its forms will not be tolerated.

What are Bullying, Cyber Bullying and Harassment?

Bullying is repeated oppression, physical or psychological, of a less powerful person by a more powerful person or group.

Cyber-bullying consists of covert, psychological bullying, conveyed through the electronic mediums such as cell-phones, web-logs and web-sites, on-line chat rooms, 'MUD' rooms (multi-user domains where individuals take on different characters) and Xangas (on-line personal profiles where some adolescents create lists of people they do not like). It is verbal (over the telephone or mobile phone), or written (flaming, threats, racial, sexual or homophobic harassment) using the various mediums available.

Harassment is any verbal, physical or sexual conduct (including gestures) which is uninvited, unwelcome or offensive to a person.

Surf Coast Secondary College will actively promote a positive and welcoming personal environment for all members of the school community. When people are bullied or harassed some effects might be anger, embarrassment, fear and humiliation, loss of self-confidence and reduced function and potential. Bullying and harassment will be addressed, individual differences will be respected and students and staff will be enabled and supported in their pursuit of learning and teaching.

Guidelines

A school-wide approach will be taken to deal with bullying (including cyber bullying) and harassment in a consistent and systematic way.

All new students and staff will be informed of the anti-harassment policy and practices at the commencement of their time at the school.

All complaints of harassment will be heard in confidence and taken seriously.

Surf Coast Secondary College will organise preventative curriculum programs that promote resilience, life and social skills, assertiveness, conflict resolution and problem solving.

Staff programs will occur periodically to keep staff informed of current issues/strategies for dealing with these issues.

There will be disciplinary consequences, covering a range of strategies, for those in breach of the Anti-Bullying (including cyber bullying) and Anti-Harassment Policy guidelines and procedures.

Program

Constructive strategies to deal with harassment will include education in coping strategies, assertiveness training, problem solving and social skills, counselling and behaviour modification. These strategies will be employed in preference to punitive sanctions and negative consequences.

The Anti-Bullying and Anti-Harassment Policy of the school will be widely promoted to students, staff, parents/carers and the local community.

A summary of the Policy will be included in the Student Enrolment Package while new staff will receive extensive documentation as part of the school's induction process.

The school leadership team and the teachers will work together to ensure the safety of all school members in situations of bullying (including cyber bullying) and harassment, by thoroughly investigating all complaints while respecting the need for confidentiality, notifying parents/carers and planning interventions. If a teacher feels that a student is at serious and imminent risk from bullying (including cyber bullying) and harassment then it is their professional duty to pass on the information to an appropriate person in order to ensure appropriate support for the student. It is important that teachers document fully their interaction with the student and to verify the actions taken.

Student programs will be organized to raise student awareness about bullying (including cyber bullying) and harassment, to provide a forum for discussion of matters and to aid development of attitudes. Some matters will be dealt with formally in the curriculum and in peer support programs, leadership programs, extra-curricular programs and occasional activities run by outside experts and workers. The curriculum will include anti-bullying messages and strategies in line with current DE&ECD materials eg: 'The Friendly Schools' and 'No Blame Approach to Bullying' programs.

Professional development will be provided for staff relating to bullying (including cyber bullying) and harassment and proven strategies to address these issues in classrooms will be shared with all staff.

The school will provide specialist resources such as books, videos, kits and off site in-service activities to assist staff in responding appropriately to bullying (including cyber bullying) and harassment issues

Disciplinary consequences for bullying (including cyber bullying) and harassment will comply with the school's Welfare and Discipline Policy. The Principal or their nominee will provide disciplinary consequences including suspension in accordance with Department of Education and Early Childhood (DEECD) guidelines.

Evaluation

This policy will be reviewed annually or more often if necessary due to changes in regulations or circumstances
Anti-bullying (including cyber- bullying) and anti-harassment procedures

Why do we have a Policy on these?

To provide a safe and friendly school environment for students and staff and to encourage care, courtesy and respect for others. All persons have a legal right to protection from harassment under the Commonwealth Sex Discrimination Act and the Victorian Equal Opportunity Act.

What are the effects of Bullying and Harassment?

- Poor health – anxiety, depression

- Lower self esteem
- Reduced study performance
- Missed classes, social withdrawal
- Reduced career prospects

Am I bullying or harassing someone?

If you are not sure about your behaviour you can:

- Check it out by asking if it is offensive or inappropriate.
- Stop it
- Apologise
- Take it seriously if someone says they are feeling uncomfortable
- Talk it over with an adviser or somebody who has an understanding of the issues

What are some of the feelings victims of bullying or harassment may experience?

"I will ignore it and it will go away." If anything it will make things worse – you will give the impression that you agree with the situation.

"I don't want to cause trouble." Most causes of harassment are sorted out quite simply. By speaking up, action can be taken to address the problem.

"Am I to blame?" Victims of harassment or bullying sometimes feel that it is their fault. Victims are made to feel guilty by the offender and often blame themselves. It is your right to have a safe environment free from harassment or bullying.

"Am I imagining things?" Often our hunches are correct. Rather than put up with nagging doubts, talk to someone about your feelings.

Harassment or bullying can often make people feel:

Embarrassed, ashamed, offended, humiliated, intimidated, frightened and/or uncomfortable

What should you do if you see another person being bullied or harassed?

Tell the person that you witnessed the incident and advise them to report it to an appropriate person. However, if your friend is harassing another person, let them know that their behaviour is unacceptable.

Bystanders who do nothing to stop bullying may be contributing to the problem by providing an audience for the bully

Bullying can involve such things as:

- grabbing, aggressive staring, hitting, pinching kicking, pushing and shoving.
- publicly excluding a person from your group
- taking or breaking a person's property
- knocking a person's books or belongings out of their hands or off their desk
- teasing a person because of their looks

Cyber-bullying can involve such things as:

- Flaming: online fights using electronic messages with angry or vulgar messages
- Harassment: Repeatedly sending nasty, mean and insulting messages
- Denigration: Posting or sending gossip or rumours about a person to damage his/her reputation or friendships
- Outing: Sharing someone's secrets or embarrassing information or images online
- Exclusion: Intentionally and cruelly excluding someone from an online group
- Cyber stalking: Repeated, intense harassment and denigration that includes threats or creates significant fear

Harassment is usually directed at a person because of their gender, race, creed or abilities. It can be subtle or explicit.

Subtle: (The most common)

They include:

- Offensive staring and leering
- Unwanted comments about physical appearance and sexual preference
- Racist or smutty comments or jokes

- Questions about another's sexual activity
- Persistent comments about a person's private life or family
- Physical contact e.g. purposely brushing up against another's body
- Offensive name calling

Explicit: (obvious)

They include:

- Grabbing, aggressive hitting, pinching and shoving etc
- Unwelcome patting, touching, embracing
- Repeated requests for dates, especially after refusal
- Offensive gestures, jokes, comments, letters, phone calls or e-mail
- Sexually and/or racially provocative remarks
- Displays of sexually graphic material– pornography
- Requests for sexual favours

Extreme forms of sexual harassment will lead to criminal prosecution.

What do you do if you are being bullied or harassed?

- Tell the person you don't like what they are doing and you want them to stop
- Discuss the matter with a Coordinator, Student Welfare Coordinator or peer mediator, peer support leader or a teacher that you feel comfortable with

We will take your concerns seriously. All complaints will be treated confidentially.

How will your complaint be dealt with?

The flow chart below summarises school procedures for responding to a student who bullies or harasses others

Level 1 If the bullying or harassment incident is minor or first time occurrence, teachers may elect to use one or more anti-bullying practices:

- stopping the bullying/re-statement of rules and consequences,
- restorative questioning
- think time detention
- private conference
- shared control discussion

If the student does not take control over his/her behaviour, an Incident Report Form should be completed and submitted to Student Welfare coordinator, Learning Community Leader or Principal/Assistant Principal.

Level 2 If the bullying or harassment continues or in instances of severe bullying or harassing, a referral should be made to the Student Welfare Coordinator. Here, the Student Welfare Coordinator (or another who has responsibility for student welfare) may:

- meet with the student to develop a behaviour contract
- provide discussion/mentoring of different social and emotional learning competencies including structured learning activities
- conduct a restorative conference separately with the perpetrator and "target"

Level 3 For "at risk" students (many risk factors, few protective factors) whose bullying or harassing behaviour is severe and for other non-at risk students whose bullying or harassing and other aggressive behaviour is resistant to change, an individual "strength building" plan should be developed by the student welfare coordinator in consultation with student, parents/carers and teachers. Individual strength-building plans and associated interventions help connect the student to positive people, programs and actions in the community, school and home as well as develop the student's inner social and emotional strengths (skills, values)

Level 4 Students whose severe bullying or harassing behaviour resists school efforts and represent a significant threat to the safety and wellbeing referred to outside agencies for evaluation. Student welfare coordinators will need to be familiar with those community agencies and organisations that can offer more intensive services to the student and student's family.

Note The school may choose, if bullying or harassment persists or the initial incident is of such magnitude, that parents/carers will be contacted and consequences implemented consistent with the school's Student Code of Conduct. Furthermore, the Principal may commence formal disciplinary action in line with '*Effective Schools are Engaging Schools - Student Engagement Policy Guidelines*' (DEECD) at any stage in the process depending on contextual information relating to the severity of the bullying (including cyber bullying) and harassment.
